

NORTHEAST TITAN QUARTER MIDGET SERIES

April 2023

There are a lot of exciting things happening in 2023! We are ready for racing season and can't wait to see everyone at the track!

New for 2023

- All families who race the series will need to become a member. This will be a FREE membership but will allow us to keep better records and decrease paperwork.
- Must race 5 events to qualify for points. (3 race drops if you run all 8 events including the Nascar Youth National)
- Red and Blue Rookies may not use a ratchet/open hub
- We will be utilizing TicketSpice for preregistrations this year. Fees may be avoided by mailing a check.
- Late registration will only be allowed on Friday, at a cost of \$55 per car, with the exception of Rookies. Drivers may still sign in on race day.

We are currently working with local hotels to provide a discounted group rate to traveling families. Check event details on Facebook for details and follow Telegram.
