

NORTHEAST TITAN QUARTER MIDGET SERIES

February 2021

The Northeast Titan Series is ready for the 2021 season. We hope to share newsletters throughout the year to keep everyone up to date on important information and happenings.

**Check out our website
netitanseries.com**

*The Titan board has voted to
eliminate the 2020 series tire rule.
For 2021 we will be following tire
rules as listed in the USAC rule book.*

We now have a YouTube channel. Subscribe to stay up to date as we add videos throughout the season.
<https://www.youtube.com/channel/UCubndKcOqTxBy81PNnjKXjA> or search Northeast Titan Quarter Midget Series

The NE Titan series would like to put together a fun video featuring quarter midgets drivers.

All you need to do is:

1. Have your child write what they love about racing/quarter midgets on a piece of paper- write it BIG and thick so we can see it! Be creative with your answer.
2. Video tape your child catching the paper, opening it up, showing the camera, crumpling it up, throwing it (see video example on social media)- be sure to throw to the left or right ONLY
3. Email us your video (no more than 10 seconds) to mstratton@netitanseries.com. Please include your child's name and home track, we will be displaying this in the video. All drivers from all tracks are welcome to participate.
4. All videos must be received by March 7th

Please be aware that by sending us a video you are agreeing to our social media policy on our website and for us to use your child's image in our video.
